

TREE TOP

PROFESSIONAL TREE WORK HARNESS

HTP0468

The Tree Top Professional Harness is the result of extensive collaboration with specialist arborist teams. The specifically designed harness has added features to suit the unique requirements of professional tree climbers.

The sliding ring on the reinforced bridge provides a well-balanced centre of gravity enabling maximum freedom of movement with multiple tool loops including a chainsaw rated attachment loop central to the back.

Our advanced 3D moisture-wicking mesh fabric waist belt and leg supports provide advanced breathability drawing moisture away from the body while creating maximum comfort.
